

UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF CALIFORNIA

THERON HOLSTON,

Plaintiff,

v.

SHANE ALDERSON, et al.,

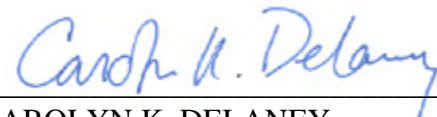

Defendants.

No. 2:20-cv-1076-CKD-P

ORDER

Plaintiff is a county inmate who has filed a civil rights complaint pursuant to 42 U.S.C. § 1983 along with a request to seal all documents in this matter. Plaintiff seeks a court order sealing all future filings in this action whether they be submitted by plaintiff or defendants. The court will deny plaintiff's request to seal all the documents in this civil action because it is overly broad and not supported by any legal authority. See Local Rule 141(d). Plaintiff's complaint is being returned to him pursuant to Local Rule 141(d)(1) in light of the court's denial of his request to seal. However, plaintiff has 21 days to file an amended complaint on the public docket in this action. If plaintiff fails to file an amended complaint within the time provided, this case will be administratively closed and no further action taken in this matter.
